www.wimc.wum.edu.pl

Organizers:
- Medical University of Warsaw
- STN WUM
- IFMSA-Poland
- EMSA Warsaw
- International Student Exchange Programme
The Warsaw International Medical Congress is the most significant medical student scientific gathering in Central Europe.

Every year it brings together over 400 active and passive participants from all over the world. Last year more than 300 presentations were given in 27 sessions. This year, you have a chance to become one of the winners of the 10th Warsaw International Medical Congress 2014.

DON’T WAIT!
SUBMIT YOUR ABSTRACT

2. Lectures:

Every year we invite preeminent authorities on biomedical science to deliver inspiring presentations. In the past WIMC has been honored to host such renowned guests as:

- **Prof. Peter Sicinski** of Dana Farber Cancer Institute, USA
- **Ijad Madisch** – founder of ResearchGate
- **Prof Wiesław Jędrzejczak**, first doctor in Poland to perform bone marrow transplantation

**KEYNOTE SPEAKERS OF THE 10th WIMC WILL BE ANNOUNCED SOON!**

3. Workshops:

Many interesting workshops will be conducted during WIMC. Here you may see only a sample few of them—the full list will be available on our website soon.

**Other workshops:**
- Anatomy
- Evidence Based Medicine
- Laparoscopic Surgery
- Medical Rescue
- Ophthalmology
- Pediatric Oncology
- Neuroradiology
- Pediatrics
- Surgery
SOCIAL PROGRAM:

Social programs for the 10th WIMC include:

1. **Opening ceremony** (May 15th) at Olympic Center – a modern, interactive and innovative place to discover the history of sports. For WIMC participants – free admission to the Museum of Sports and Tourism.

2. **Gala Dinner** (May 16th) at the Didactics Center of the Medical University of Warsaw. It’s time to celebrate together. Delicious meals, live music and international company – what more could you need?

3. **Medykalia Concert** (May 17th) Following a long day of inspiring lectures, there will be many invigorating concerts to attend as part of the medical student music festival.

4. **Warsaw by night** – take a walk with our guides and experience the beauty of Warsaw’s downtown center and visit the Multimedia Fountain Park.

5. **Chopin Warsaw** – tour through places associated with the famous composer Fryderyk Chopin and visit the innovative multimedia Chopin museum.

6. **Warsaw Uprising Museum** – you will have the opportunity to visit one of the most interesting museums in Warsaw presenting the history of the city during the World War II.
ACCOMMODATIONS:

After success of last edition of Home-Stay Accommodation Programme, this year we are also giving opportunity to stay for the period of conference with Polish students. They will host you in their homes providing unique chance to experience typical Polish hospitality.

Details and the application form for the home-stay program are available on our website.

ABSTRACT DETAILS:

1. Abstracts are accepted only in English version via electronic registration on the Conference Website.
2. The abstract should consist of 5 parts: introduction, aim of the research, materials and methods, results, and conclusions.
3. The Case Report Session abstract should consist of 3 parts: introduction, results, and conclusions.
4. The abstract may not be longer than 2500 characters including spaces.
5. The abstract may not contain tables, graphs, charts nor images.

DEADLINE – MARCH 8, 2013. DON’T MISS IT!
